Re: Notice of File Closure for Small Mining Activities, Rocky Ridge #1, S/055/015, Emery County, Utah

Dear Mr. Horrocks:

This letter is to notify you that file #S/055/015, for the Rocky Ridge #1 project, located in Emery County, Utah, will be retired from our files.

The BLM recently inspected the project and found the surface reclamation satisfactory. The BLM subsequently closed out their file for this project. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and also close our file accordingly.

If you have any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

A handwritten signature in cursive script, reading "Anthony A. Gallegos".
